

# Ontario Realty Corporation CAD Standards and Guidelines v4.0

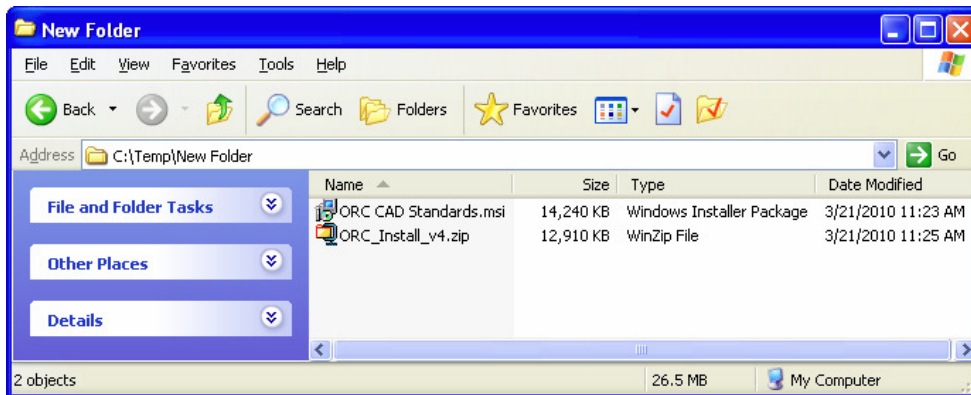

## ORC CAD Standards version 4.0. Installation Instructions:

If you have prior versions of the ORC CAD Standards, please follow the steps outlined below.

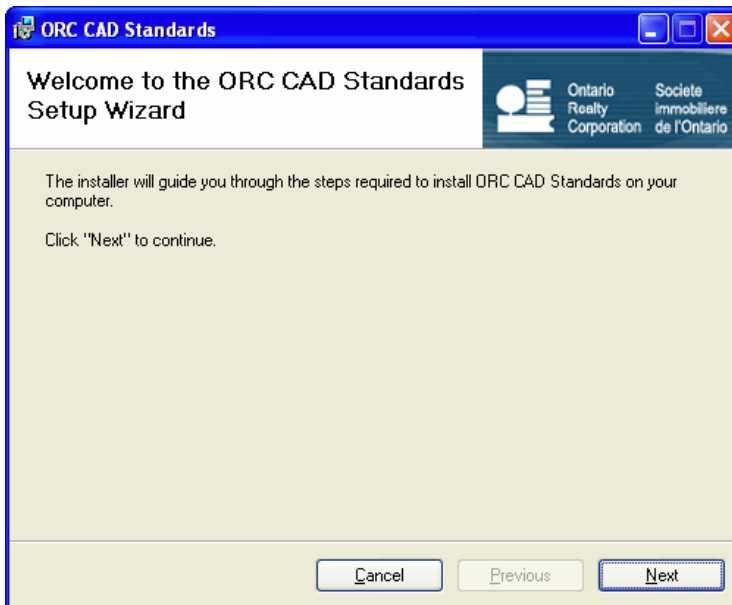

1. Uninstall existing versions of ORC CAD Standards first.

2. Unzip the ORC CAD Standards.msi. Double-click the ORC CAD Standards.msi file to run the new installation of version 4.0.

3. The ORC CAD Standards Setup Wizard:

Follow the prompts.

The installer will create the folder 'C:\Program Files\ORC CAD Standards' (plus supporting subfolders) and a desktop icon .

4. Double click the desktop icon ORC Loader\_v4.exe to start the application.
