Senior Project Manager, Program Planning

Based in **Toronto**, we are looking for a Senior Project Manager who is a motivated leader that can assist ORC in its planning for design and construction projects. We are interested in hearing from you if you are PMP certified with 10 years of experience in managing all aspects of program management, including project scheduling, order of magnitude budgeting and achieving planning effectiveness. In this role you are the single point of contact for our Account Team and its clients to develop strategic project and program plans that are cost effective, meet timelines and achieve client satisfaction. Your degree or diploma in Architecture, Engineering, Project Management or a related field is complemented by knowledge of public sector procurement and strategic planning options for program and project delivery and general real estate development practices. You are familiar with interpreting construction documents and building specifications, and demonstrate expertise in construction, design and facilities management within the building design and construction industry. Strong interpersonal, communication, negotiation and analytical skills are important in this role.

To apply, please e-mail your resume (MS Word, only), indicating **File #PJM-09-11** in the subject line, to resumes@ontariorealty.ca. We thank all applicants for their interest, however, only applicants selected for an interview will be contacted.
