DELIVERING STRATEGIC SOLUTIONS.
BUILDING SOLID CAREERS.

Delivering strategic solutions. Building solid careers.

The **Ontario Realty Corporation (ORC)** strategically manages, on behalf of the Ontario government, one of the largest real estate portfolios in Canada. Smart, strategic thinkers are the cornerstone of our success in delivering value, service and innovative solutions province-wide. Take ownership of your career with us.

Sustainability Student (4 month summer contract)

Use your understanding of building management (operation, maintenance, construction, demolition) and the ISO 14001 Environmental Management System (EMS) to assist in the development and implementation of ORC's Green Buildings Program. This is your chance to put your education to work and contribute to the Province's long-term environmental goals by promoting sustainable development and/or operations of ORC managed assets; including assisting ORC's sustainability team in monitoring and reporting on the delivery of the organization's sustainability goals at the portfolio and corporate level. This **Toronto** based **4 month summer contract** position will also look to you to propose and help implement ideas that minimize greenhouse gas emissions from ORC sources, assist in the preparation of training and awareness sessions on green buildings and support the piloting and strategic evaluation of LEED[®] EB:O&M within the portfolio. Additional assistance with the undertaking of ORC's Class EA process and other duties as required. Strong report-writing and communication skills are essential, and specialized education (either completed or in progress) in Sustainable Business, Green Buildings or Energy Conservation is preferred.

To apply, please e-mail your resume (MS Word, only), indicating **File PS-10-1** in the subject line, to resumes@ontariorealty.ca. We thank all applicants for their interest, however, only applicants selected for an interview will be contacted.
